STATING THE POLICY OF THE CITY AND COUNTY OF SAN FRANCISCO ON PRIME SPONSORSHIP FOR REVENUE SHARING FUNDS FOR MANPOWER PROGRAMS.

WHEREAS, The President of the United States of America and spokesmen for the Department of Labor have expressed their intention of entering into manpower revenue sharing with local political entities by administrative direction; and

WHEREAS, The expressed intention of the Federal Government, as published in the Federal Register, is to enter into direct contracts with cities of 100,000 population or more; and

WHEREAS, The State administration, through the Director of the Health and Welfare Agency and the Director of the Department of Human Resources Development has asked the Federal Government to enter into a prime sponsor contract with the State of California for all manpower revenue sharing money, to be followed by subcontracting to the cities of those funds federally allocated; and

WHEREAS, Senate Bill 601 and Assembly Bill 1103 have been introduced before the State Legislature proposing to establish the State administration as the channel for all allocations of Federal manpower moneys within California, with further sub-allocations to the cities; and

WHEREAS, The proposed State legislation would authorize the State to negotiate with the Federal Government on behalf of the cities, in direct contrast with the Federal proposals; and

RESOLVED, That the City and County of San Francisco expresses its preference to the Department of Labor, and to State and Federal legislative representatives, for direct negotiation and contracts between the Federal Government and this City involving the allocation of Federal manpower revenue sharing money; and be it

FILE NO. 217-73 RESOLUTION NO. 426-73

AUTHORIZING THE CITY AND COUNTY OF SAN FRANCISCO TO ESTABLISH A HOUSING REHABILITATION FINANCING PROGRAM FOR USE IN CONSERVATION AREAS DESIGNATED UNDER THE SAN FRANCISCO HOUSING CODE.

WHEREAS, Stable integrated neighborhoods and safe and sanitary housing at reasonable cost for all San Franciscans are major objectives of the Board of Supervisors; and

WHEREAS, Maintenance and improvement and preservation of housing for all residents, especially for those of low-to-moderate income is essential to the retention of stable integrated neighborhoods in San Francisco; and

WHEREAS, The cost of repairing and upgrading delapidated structures is generally far less costly than demolition and replacement housing; and

WHEREAS, Rehabilitation of existing housing results in less personal hardship, involves less overall social costs, and retains neighborhood identity; and

WHEREAS, Unless the City and County of San Francisco intervenes to provide some form of assistance to finance housing rehabilitation, many depressed residential areas of San Francisco will deteriorate at an ever accelerating pace; since, with but rare exceptions, property owners cannot obtain improvement loans under any terms or conditions as it is economically imprudent for private lenders to make spot rehabilitation loans in deteriorating areas unless there is solid evidence that a representative portion of the area will be improved and upgraded; and

WHEREAS, Code Enforcement is a necessary tool to assure safe and sanitary housing conditions; and

WHEREAS, A Code enforcement program in deteriorating neighborhoods will not place an impractical or unreasonable financial burden on property owners if long-term low interest rate improvement loans are available and the City provides assistance and public improvements

to a degree equal to that completed in former Federally Assisted Code Enforcement (FACE) areas; and

WHEREAS, A program of public improvements and the availability of long-term low interest rate rehabilitation loans in deteriorating areas would encourage owners to up-grade their property in designated areas and motivate owners in other nearby neighborhoods to make on-going improvements; and

WHEREAS, There is an urgent need for public assistance in order that many properties and neighborhoods might be rehabilitated immediately; and

WHEREAS, Financing on reasonable terms must be made available to owners in designated deteriorating areas in order that they can make needed improvements and many tenants living in buildings needing rehabilitation cannot afford substantial rent increases; and

WHEREAS, Public dollars invested in rehabilitation assistance programs will eventually be returned to the City in part through increased property tax revenues; and

WHEREAS, The City of San Francisco can borrow money from private financial institutions at a below market, tax-exempt interest rate; and

WHEREAS, A joint public - private effort is necessary to generate sufficient resources for an effective rehabilitation program in San Francisco; and

WHEREAS, Conventional terms for property insurance are frequently unavailable from private firms in areas needing rehabilitation; and

WHEREAS, Condominium and cooperative forms of ownership offer economic and noneconomic advantages over straight tenancy for present home residents of areas which may need rehabilitation and increased/ownership and resident ownership of buildings have been found to encourage on-going neighborhood maintenance and stability; and

WHEREAS, The City and County of San Francisco is carrying out a FACE program which has been successful over the past six years in rehabilitating housing and improving a limited number of neighborhoods through the use of low-interest loans and grants; and

WHEREAS, The Section 312 rehabilitation loan funds used extensively in FACE areas have been impounded by the Federal Government, thereby blocking the rehabilitation of housing; and

WHEREAS, Department of Housing and Urban Development officials have notified the City of San Francisco that the existing FACE contract will not be extended beyond July 1, 1973, unless the City can show an ability to complete the existing areas (Bernal Heights, Duboce Triangle, and Alamo Square) with alternative sources of financial assistance for loans; and

WHEREAS, An extension of the FACE contract for fiscal year 1973-74 would provide needed funds for grants and relocation assistance in HUD-approved areas; and

WHEREAS, If the City obtains an extension of the FACE contract for fiscal year 1973-74 and completes the three existing FACE areas in fiscal year 1973-74, the City will receive an additional $572,600 from the United States Department of Housing and Urban Development, that being the amount withheld to date by the Federal Government to guarantee completion of those three areas by the City; and

WHEREAS, Rehabilitation loan assistance from state and federal sources is likely to be inadequate in the future; and

WHEREAS, Six years of City experience with the 312 loan program in San Francisco FACE areas has shown a default rate of less than two percent; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco hereby finds that a public purpose will be served by initiating an ongoing "Rehabilitation Assistance Program" with both public and private funds; and, be it

FURTHER RESOLVED, That the general purpose and intent of such a "Rehabilitation Assistance Program" will be to provide adequate financial and nonfinancial assistance for rehabilitation and code compliance on a continuing basis, neighborhood by neighborhood throughout San Francisco; and, be it

FURTHER RESOLVED, That the Chief Administrative Officer and those City officials designated by him (hereafter referred to as City Officials) are hereby authorized and directed to negotiate low-interest loans from the private financial sector which would provide funds for a publicly administered "Rehabilitation Loan Fund."

Security for this loan will consist of a lending criteria agreement, deeds of trust securing each individual loan made by the City and a special fund consisting of loan repayments and a default reserve; and, be it

FURTHER RESOLVED, That City Officials are hereby authorized to negotiate to establish a 'Revolving Hardship Loan Fund" based on both foundation and public resources; and, be it

FURTHER RESOLVED, That owners of real property within designated areas may apply for and receive, if found eligible, long-term rehabilitation loans from the "Rehabilitation Loan Fund' and "Revolving Hardship Loan Fund' of the City and County of San Francisco. Loans will be made in general conformity with the "General Guidelines for Proposed City-Sponsored Rehabilitation Assistance Program," dated June 11, 1973, on file with the Clerk of the Board of Supervisors in File No. 217-73 and incorporated herein by reference; and, be it

FURTHER RESOLVED, That City Officials are hereby authorized to negotiate with San Francisco Banks and Savings and Loan Corporations to maximize the availability of other financing, particularly refinancing, on reasonable terms in the designated areas; and, be it

FURTHER RESOLVED, That City Officials are hereby authorized to negotiate with Insurance Companies to maximize the availability of conventional property insurance and life insurance in the designated areas at reasonable rates; and, be it

FURTHER RESOLVED, That, for the purpose of a City-sponsored Rehabilitation Assistance Program, concentrated housing "Code-Enforcement activities" will take place on an areawide basis in residential neighborhoods (hereafter called neighborhood conservation areas), which will be selected by the Director of the City Planning Department and recommended by the Chief Administrative Officer to the Board of Supervisors in general conformity with the "General Guidelines for Proposed City-Sponsored Rehabilitation Assistance Program' on file with the Clerk of the Board of Supervisors in File No. 217-73 and incorporated herein by reference; and, be it

FURTHER RESOLVED, That, in the absence of adequate Federal 312 loan assistance, local financial assistance will first be made available in the existing but uncompleted FACE areas (Duboce Triangle, Bernal Heights, and Alamo Square); and, be it

FURTHER RESOLVED, That, in the absence of HUD approval of pending FACE applications approved by the Board of Supervisors for the Upper Ashbury and Inner Richmond neighborhoods, and if resident support is demonstrated to the satisfaction of the Director of City Planning at meetings to be held by the Department of City Planning in the neighborhoods, the City-sponsored "Rehabilitation Assistance Program" will be initiated in these areas where considerable neighborhood involvement and background work has already been completed; and, be it

FURTHER RESOLVED, That, since considerable neighborhood involvement and background work has been done in Chinatown, the Director of City Planning is hereby requested to select Chinatown as a neighborhood conservation area following the "Guidelines for Designation of Priority Conservation Areas Under Proposed City-Sponsored Rehabilitation Assistance Program", on file with the Clerk of the Board of Supervisors in File No. 217-73 and incorporated herein by reference; and, be it

FURTHER RESOLVED, That tenants displaced as a result of this program will be certified as eligible to apply for relocation assistance from the Central Relocation Service and the Local Rent Assistance Program, and will be entitled to a first right of refusal with respect to their former dwelling unit upon completion of the work; and, be it

FURTHER RESOLVED, That public improvements will be provided in the designated conservation areas in an amount at least equal to that completed in former FACE areas; and, be it

FURTHER RESOLVED, That in coordination with a Rehabilitation Assistance Program, incentives be developed for conversion to condominium, cooperative or home ownership and for conversion from absentee to resident ownership; and, be it

FURTHER RESOLVED, That the City Attorney is hereby requested to draft an ordinance which would make the prohibition against employment discrimination by contractors on public works, found in Section 12B of the San Francisco Administrative Code, applicable to contractors performing work utilizing funds provided by this Rehabilitation Assistance Program; and, be it

FURTHER RESOLVED, That the Chief Administrative Officer or his designated representatives are hereby given primary responsibility for administration of this "Rehabilitation Assistance Program" which is to be conducted in general accordance with the "General Guidelines for Proposed City-Sponsored Rehabilitation Assistance Program," dated June 11, 1973, on file with the Clerk of the Board of Supervisors in File No. 217-73, and incorporated herein by reference; and, be it

FURTHER RESOLVED, That the City Attorney's Office is hereby requested to draft legislation and other legal documents and to take such action as is needed to implement the program outlined in this resolution.

ESTABLISHING AN AD HOC COMMITTEE TO PROPOSE METHODS TO SIMPLIFY THE BALLOT AND VOTER INFORMATION PAMPHLET.

WHEREAS, The right to vote is a fundamental one, and the importance of informed and active citizen participation in our form of government by the use of the ballot is well recognized and should be encouraged; and

WHEREAS, In exercising their right to vote, citizens are entitled to know and understand what effect their vote will have on a particular measure and the operation a measure will have on existing law, as well as the cost thereof that would be incurred by its passage, consistent with the principle of full disclosure contained in the Charter of the City and County of San Francisco; and

WHEREAS, The voter information pamphlet as it is now set up is not fulfilling the end for which it was designed since obscure explanations of the intent and effect of measures contained therein have militated against voter understanding of ballot measures; now, therefore, be it

RESOLVED, That this Board of Supervisors, in recognition of the need for ballot simplification, does hereby establish an ad hoc committee for the purpose of proposing methods to simplify the ballot and voter information pamphlet, to determine the merits of including therein a section on voters rights, and to seek methods of dealing with irresponsible statements made in negative arguments, said committee to submit to this Board within sixty days from the effective date of this resolution its report in response to the intent herein stated so that implementation thereof may be achieved by the next ensuing election; and, be it

FURTHER RESOLVED, That said committee shall consist of seven members whose knowledge and experience in election matters and expertise in the field of communication would be of benefit in the formulation of its proposals, including the Registrar of Voters, a representative from the office of the City Attorney, and five members to be appointed by the Board of Supervisors, as follows: one representative from the League of Women Voters, one educational reading specialist, and one representative from each of the following - a daily newspaper, a radio station, and a television station.

URGING THE GOVERNOR OF THE STATE OF CALIFORNIA TO RECONVENE THE STATE LEGISLATURE IN SPECIAL SESSION FOR PURPOSE OF REPEALING THE SALES TAX INCREASE WHICH BECAME EFFECTIVE JULY 1, 1973.

WHEREAS, His Honor, the Governor of the State of California, and the State Legislature failed to take action to prevent the unnecessary imposition of a one cent sales tax increase, effective July 1, 1973, on the people of the State of California; and

WHEREAS, Said sales tax increase is generating $1,700,000 per day of surplus sales tax income at a time when there already exists a surplus of more than $829,000,000 in the State treasury, which will soon amount to one billion dollars ($1,000,000,000); and

WHEREAS, The Governor of California has rightfully pointed out that "Government must realize that it cannot indefinitely tax the people at constantly increasing levels without destroying the people's ability to support themselves and their families;" and

WHEREAS, This regressive tax affects most adversely low income groups of people who are least able to afford it; and

WHEREAS, At least $61,000,000 of absolutely unneeded sales tax money will have been collected from the pockets of the people of California before the State Legislature reconvenes in regular session in August; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco does hereby strongly urge the Governor of the State of California to use the authority within his power to reconvene the Legislature immediately in a special session for the specific and sole purpose of repealing such sales tax increase; and, be it

FURTHER RESOLVED, That the Legislature and the Governor be urged to act on the simple question of repeal of such sales tax increase, leaving for subsequent action the more complicated questions of disbursement of surpluses; and, be it

FURTHER RESOLVED, That copies of this resolution be forwarded to the State Legislative Representative of San Francisco to be transmitted by him to His Honor, the Governor, and to the members of the San Francisco delegation in the State Legislature.

DECLARING IT TO BE THE POLICY OF THE BOARD OF SUPERVISORS TO REQUEST THAT THE CITY PLANNING COMMISSION SELECT A REDEVELOPMENT PROJECT AREA, CONSISTING OF THE LINCOLN ELEMENTARY SCHOOL SITE, AND FORMULATE A PRELIMINARY PLAN FOR REDEVELOPING SAID SITE FOR LOW- TO MODERATE-INCOME HOUSING.

WHEREAS, The Board of Supervisors recognizes that the early construction of the Yerba Buena Center Convention Complex is vital to San Francisco's economic health; and

WHEREAS, Each month of delay after May 1, 1973 of the construction of the Convention Complex costs the City $1,000,000 in construction cost escalation; and

WHEREAS, The Board of Supervisors wishes to take all reasonable and prudent action available to it to bring to a conclusion the legal obstacles which have interfered with the early development of Yerba Buena Center; and

WHEREAS, The Redevelopment Agency has now executed a settlement agreement with Tenants and Owners in Opposition to Redevelopment (TOOR) which, when effectuated, will result in the dismissal of litigation interfering with the development of Yerba Buena Center; and

WHEREAS, Said settlement agreement specifies that the Redevelopment Agency is to use its best efforts to secure under the redevelopment process the Lincoln School site for housing purposes; and

WHEREAS, The Board of Supervisors by Resolution No. 307-73 indicated its intent to cooperate with the Redevelopment Agency in the reallocation of existing hotel tax funds and in the amendment of the Redevelopment Plan for Yerba Buena Center as may be necessary to provide financing and sites for low-income and moderate-income housing; and

WHEREAS, The Board of Supervisors by ordinance has reallocated San Francisco's hotel tax to facilitate the development of housing within and adjacent to the Yerba Buena Center Redevelopment Project; now, therefore, be it

RESOLVED, That this Board of Supervisors directs that a letter be transmitted to the City Planning Commission, requesting said Commission to expedite

(1) The selection of a redevelopment project area comprising Lot 12, Block 3752, in San Francisco, which is the site of the former Lincoln Elementary School; and

URGING CALIFORNIA LEGISLATURE TO ENACT A CONTAINER TAX EXEMPTION APPLICABLE TO AMERICAN OCEAN-GOING VESSELS.

WHEREAS, The Los Angeles Superior Court has issued an "intended decision" whereunder ocean-going vessels carrying foreign flags will be exempt from California Container Property Tax on the theory that such containers are instrumentalities of foreign commerce and can be taxed only in the shipowner's home port; and

WHEREAS, Said ruling may give foreign flag lines a competitive edge over American carriers, according to the American Institute of Merchant Shipping, and American carriers, all home ported in California, must pay the tax aggregating $500,000 annually while competing foreign lines will escape such payment; and

WHEREAS, The American Institute of Merchant Shipping at the present time is attempting to prevail upon the Legislature of the State of California to enact a container tax exemption to avoid the detrimental impact on American carriers should they be required to compete with foreign carriers on an unequal basis; and

WHEREAS, It appears that because of treaty and other complex considerations it is essential that the California Legislature enact a container tax exemption to American ocean-going vessels, a vital segment of maritime commerce which is essential to the continuing well-being of San Francisco and other American ports; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco do hereby petition and urge the California Legislature to promptly consider and enact legislation which will have the effect of extending to American flag ocean-going vessels a container tax exemption which will place them on an equal basis with competing foreign flag ocean vessels; and be it

AUTHORIZING RELEASE OF GAS TAX FUNDS AGGREGATING $180,600 FOR A STREET IMPROVEMENT PROJECT ON JUDAH STREET BETWEEN 9TH AND 19th AVENUES.

WHEREAS, In the annual budget of the Department of Public Works during fiscal year 1970-71 a sum of $604,700 was appropriated for sidewalk narrowing and street reconstruction on Judah Street from 9th to 48th Avenues in conjunction with a comprehensive plan of improvement of Municipal Railway service consistent with the officially declared "Transit First" policy of the City and County; and

WHEREAS, Said improvement project has been the subject of numerous intensive discussions in the community in official forums and implementary legislation involving the sidewalk narrowing, extensive right-of-way for Municipal Railway vehicles, and other related legislation heretofore has been adopted by this Board of Supervisors; and

WHEREAS, The Director of Public Works at this time has requested that funds in the amount of $180,600 from gas tax monies be released by order of this Board for the purpose of proceeding with the improvement project in the limited area on Judah Street between 9th and 19th Avenues, such project to include paving, drainage, sewer, water services, street lighting, traffic signals, fire alarm signals and miscellaneous electrical work; and

WHEREAS, Our Board's previous decision to proceed with the improvement of Judah Street between 9th and 19th Avenues was the consequence of numerous public meetings, with neighborhood representatives and other interested groups, nearly a year of community input in the improvement of guide lines, and wide spread, carefully documented community involvement which harmonized the improvement plan as much as possible with the many difference and legitimate interests within the City and County and the directly affected improvement; and

WHEREAS, The improvement plan as mentioned hereinabove for Judah Street between 9th and 19th Avenues, does not represent piece meal planning and will not set a precedent for plans affecting the remainder of Judah Street between 19th and 48th Avenues, the latter sector still being subject to the processes of gathering input from residents west of 19th Avenue, from which guidelines will evolve for presentation to the City for consideration in arriving at a plan for improvement of said westerly sector; now, therefore, be it

RESOLVED, That this Board of Supervisors, upon recommendation of its Finance Committee, does hereby release for the hereinabove expressed purpose of the Department of Public Works for the project of improving Judah Street between 9th and 19th Avenues said amount of $180,600 from gas tax monies, with the clear stipulation that the approval of said project and the expenditure of funds therefore shall not in any sense constitute or be deemed as a precedent in any way for subsequent treatment of Judah Street between 19th and 48th Avenues, which area shall continue to be a subject of full community input prior to the commencement and completion of any thoroughfare, vehicular, transit and any other type of construction or reconstruction plan therefor.

FILE NO. 478-73 RESOLUTION NO. 580-73

RECOMMENDING STATE ACTION WHICH WILL PROVIDE FOR FULL STATE AND FEDERAL FINANCING OF THE ENTIRE ADULT HOMEMAKER PROGRAM WITHOUT UTILIZATION OF THE COUNTY SHARE OF FEDERAL SERVICES FUNDS.

WHEREAS, Federal law restricts the amount of federal funds available to each state to meet 75 percent of the costs of social services provided in connection with the public assistance programs, California's share being about $245.7 million per year; and

WHEREAS, The State of California has allocated 66 percent of the state total to the 58 counties, San Francisco's share having been $9,265,859 in fiscal year 1972-73, and being $8,547,409 for fiscal year 1973-74, with which to meet 75 percent of the costs of social services provided by the Department of Social Services, both directly and through purchase of service contractual agreements; and

WHEREAS, During fiscal year 1972-73, an amount of $2.7 million of San Francisco's allocation of $9.3 million of federal funds was expended in the adult homemaker program and it is estimated that during fiscal year 1973-74, because of the discontinuance of the attendant care program in the adult aids as of December 31, 1973, more than $4 million of San Francisco's allocation of $8.5 million of federal funds will be expended in said adult homemaker program; and

WHEREAS, Only $4.5 million will remain in fiscal year 1973-74 for the meeting of all other service costs, including day care services for children and group day care socialization services for handicapped adults, the cost of which during 1972-73 was $6.4 million; and

WHEREAS, This situation will become even more acute during fiscal year 1974-75 when San Francisco's allocation of federal funds may be as low as $7.7 million with $5.5 million representing the federal share of the cost of homemaker services, leaving only $2.2 million for all other social services, compared with $4.5 million in 1973-74 and $6.4 million in 1972-73; and

WHEREAS, It appears that the only way in which federal funds can be available to meet the costs of other services, required by federal and state regulations and essential to the welfare of the needy people of San Francisco, will be to provide for state financing of the adult homemaker program without utilization of any of the 66 percent county allocation of federal service funds as is proposed in legislation pending before the State Legislature (AB 18, Burton) or to include all or part of the adult homemaker program within the provisions of the Medi-Cal Program; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco does hereby recommend the enactment of state legislation and the issuance of state regulations which would provide for the meeting of the full costs of the state required adult homemaker program (including the proposed chore service component) with 100 percent state and federal funds and without utilizing for this purpose any of the federal service funds currently allocated to the counties; and, be it

FURTHER RESOLVED, That copies of this resolution be sent to the Governor of the State of California, the Secretary of the State Health and Welfare Agency, the Directors of the State Department of Social Welfare and the State Department of Health, and San Francisco's delegation in the State Assembly and Senate.
